UPCOMING SERVICES

What does it mean to be a people of resilience?

FEBRUARY 9, 2020 9:30 AND 11:15 AM *How Happy We Have Been*Rev. Clare L. Petersberger

In a poem about what she learned after fifty years of marriage, Linda Pastan confessed that she married her husband for all the wrong reasons. She muses that he did the same. In fact, she says, "How wrong we both were about each other." And yet, she concludes, "how happy we have been." Today we reflect on resiliency in long relationships that weather stress, heartbreak, hardship and change.

FEBRUARY 16, 2020 9:30 AND 11:15 AM

Two Teachers of Resilience

Rev. Clare L. Petersberger, Monica Sweidel
Two female teachers of resilience were born
on February 18th (though not the same year.)
One said ""When I dare to be powerful, to
use my strength in the service of my vision,
then it becomes less and less important
whether I am afraid." The other said, "There

is no time for despair, no place for self-pity, no need for silence, no room for fear. We speak, we write, we do language. That is how civilizations heal." Today we reflect on lessons taught by these paragons of resilience. We will also honor Monica Sweidel and her contributions to TUUC before she moves to Virginia.

February 23, 2020 9:30 and 11:15 AM *Resilience*

Young Religious Unitarian Universalists (YRUU) Teens from our vibrant youth group have been thinking about and discussing what resilience means to them as people coming of age in uncertain times.

Please join them for a participatory service of music, ritual, reflection, and the ever-popular snowball fight! No actual snow is involved. Show up if you want to know what the term "snowball fight" means to this group. This group is advised by Pat Mahoney, Fred Sypher, and Tom Zeller this year.

RELIGIOUS EXPLORATION

Our three younger groups will start out upstairs in the service and then be sung down to join with friends new and old for their class or group.

Kindergarten/1st Grade World of Wonder: Web of Life

This session introduces our human relationship to the earth, the basis for this program which is expressed in our seventh Unitarian Universalist Principle: respect for the interdependent web of all existence of which we are a part. The concept of the interdependent web is made concrete by tangible activities, such as the creation of a World of Wonder mural which the group will use throughout the program. A story illustrates that we are all connected in a great web of life and children are encouraged in caring for the earth. An understanding of interdependence in our human communities is nurtured as participants create a group covenant, recognizing that their behaviors affect one another.

2nd/3rd Grade

Faithful Journeys: The Journey Begins

Because ours is a creedless faith, defining what it means to be a Unitarian Universalist can be challenging. Our adults and youth often welcome such a challenge — indeed, a questioning spirit is part of our faith. Yet, our children need to learn who Unitarian Universalists are, what we believe, and how we live in faith. Faithful Journeys equips them with language and experiences to answer these questions and help them develop a strong Unitarian Universalist identity.

TUUC YRUU

4th-6th Grade

Harry and UU: Fighting Animal Cruelty

This class will be learning about groups that fight animal cruelty and make dog enrichment treats to donate to a local animal shelter.

7th/9th Grade

Our Whole Lives sexuality education

This group continues to have great discussions about dealing with sexuality, health, and values. This group meets at 11 am in Room 6.

FROM THE BOARD by Sue Royer, President-Elect

* Update on Board resolution supporting proposed legislation and/or public policy *

Details and background information on a Board resolution were published on January 24 (and on January 31). No protests to the policy were received by Neil Porter prior to the 10-day deadline of February 3. The Board's resolution becomes effective as of February 4, 2020:

In support of our Mission and for timely response during legislative sessions, the Board supports legislation proposed by and/or public policy positions taken by the Unitarian Universalist Legislative Ministry of Maryland (state-level) or by Unitarian Universalists for Social Justice or Unitarian Universalist Ministry for Earth (both at the national-level), if such legislation or public policy position is supported by the appropriate Church committee or group. The Board permits the use of the Church's name in support of such legislation and/or public policy positions. The sponsoring committee will then provide information about the supported legislation to be included in the Threshold. This is effective through the remainder of the current fiscal year, that is, to June 30, 2020.

STEWARDSHIP UPDATE

We are in our second week of pledging during the Stewardship Campaign and have already received 40 pledges! How does this translate into \$ to meet our growing financial needs?

So far we have raised just over \$90,000.

If you have been at TUUC over the last few weeks you have heard various testimonials about the importance of TUUC in people's lives and the transformative impact it has had. I urge you as you reflect upon the importance TUUC has in your life to match that with your pledge.

As Neil Porter TUUC's President said so eloquently last week he is "ALL IN", we ask that you do the same. We ask that "You do what you can for TUUC by being ALL IN".

The film raises questions about our nation's history of genocide, about class inequality, and about the failure of good intentions to create change. Creepy, disturbing, and utterly unforgettable, *Us* will have you pondering its themes for a long time. Movie at **6:30** in the meeting room, followed by a discussion. Bring a snack!

TUUC BOOK CLUB CHOICES FOR MARCH Wednesday, March 4 @ 7:30 downstairs Circe by Madeline Miller (fiction, 2018, 400 pages)

In the house of Helios, god of the sun and mightiest of the Titans, a daughter is born. But Circe is a strange child -- not powerful like her father, nor

viciously alluring like her mother. Turning to the world of mortals for companionship, she discovers that she does possess power -- the power of witchcraft, which can transform rivals into monsters and menace the gods themselves.

"Circe,' [is] a bold and subversive retelling of the goddess's story that manages to be both epic and intimate in its scope, recasting the most infamous female figure from the Odyssey as a hero in her own right."—Alexandra Alter, New Times

Named one of the 'Best Books of 2018' by NPR, The Washington Post, Buzzfeed, People, Time, Amazon,

Entertainment Weekly, Bustle, Newsweek,

the A.V. Club, Christian Science Monitor, Southern Living, and Refinery 29.

All our welcome. Contact Jane Selewach (listed in Breeze) if you have any questions.

DENOMINATIONAL MINUTE

This issue reports on the Unitarian University Legislative Ministry of Maryland (UULM-MD) activities and report and recent lobbying by TUUC members Steve Finner and Kathy Ramirez on two bills supported by the UULM -MD and others.

UULM_MD: This past week saw our first victories with the override of two gubernatorial vetoes, the first approval of a gun violence bill on the House floor, and the introduction of most of our other priority bills. On Thursday, January 30, both houses overrode vetoes by Governor Hogan on important bills passed in 2019:

Gun Violence: SB 1000/HB 1343 Handgun
Permit Review Board - Repeal - this bill
abolishes the politically appointed board that
was routinely overturning decisions by the
State Police denying permits to carry
handguns. Appeals will instead go to the
Office of Administrative Hearings (OAH)
which is the nonpolitical agency with
Administrative Law Judges who decide
appeals of other administrative agency
decisions across the Executive Branch.

Immigration: SB 537/HB 262 Dream Act

Expansion - the 2012 MD DREAM Act offered in-state tuition rates at public colleges, universities and community colleges to undocumented students (Dreamers) if they graduated from a MD high school; the student then had to attend a community college in the county of her high school; the extension removes the requirement that the student must attend a community college in her high school district and can apply directly to a four-year public college or university paying in-state tuition rates. It also removes onerous tax proof requirements and protects DACA and TPS students who may lose their in-state status if the Trump Administration cancels these programs.

Also on January 30, the House of Delegates passed House Bill 4 on Second Reader. This bill would include long guns in the requirement for background checks before purchase or transfer of the firearm. The bill will be brought up for Third Reader and final approval in the House before it is sent to the Senate for consideration. Its companion bill, SB 208, had a hearing scheduled in the Judiciary Committee, Wednesday, February 5, 2020.

A number of bills related to UULM-MD's legislative priorities have been introduce and assigned to committees. For a list go to https://www.uulmmd.org/post/progress-on-uulm-md-priorities

TUUC members Kathy Ramirez and Steve Finner lobbied in Annapolis on January 27 and 28. Kathy reports that members from UULM and several other organizations joined CASA Maryland in Annapolis.

The four main focus points were 1) Over-ride the Veto of the Dream Act Expansion: we won Thursday, 2) HB 677 Dignity not Detention, 3) HB 403 Safe Access for All, 4) HB 388 Privacy Protection, as well as Trust Act and the facial recognition software concerns.

The crowd filled two rooms and overflowed

into the hallway. Numerous speakers included a woman whose husband was detained just hours before and political representatives like Shelley Hellerman.

Steve writes: I joined 150 people lobbying in support of HB 643-Medical Aid in Dying. The event was very well organized by Compassion and Choices

(https://compassionandchoices.org/), a national organization working to give people with a terminal illness the right to decide how and when they will die.
