Towson Unitarian
Universalist Church

A Welcoming Congregation

What does it mean to be a people of thresholds?

May 31, 2020 - 10:30 AM

Rev. Clare L. Petersberger, Lora Powell Haney, Sue Shankroff: *Kuan Yin's Journey And Our Own*

In Buddhism, Kuan Yin is the bodhisattva of compassion. Her name means "Observing the Sounds of the World." In observing the sounds of the world, this bodhisattva has been imaged by different parts of the world in different centuries as male, female, and androgynous because this bodhisattva "assumes any form required to relieve suffering."

We are human. Our journey does not span centuries. But today we reflect on how we learned about compassion and the forms we assume to relieve suffering. This is a fifth Sunday and all of today's offertory will be given to the Assistance Center of Towson Churches to support their mission to relieve the suffering of the growing number of people in our community who are food deprived.

YRE—FAMILY GATHERING

You are invited to watch a short video on the threshold of imagination, the last of our family gatherings based on the theme of Threshold. The story of The Jug and the Rock comes from Tibet and shows how a monk uses his imagination to resolve a conflict and solve a problem. How can we all use our creativity in this unusual time to keep connected with our friends, family, and community?

The 4th-6th and 7th-9th grade groups will meet again this Sunday at their usual times, as will YRUU.

SOCIAL ACTION COMMITTEE - SUNDAY'S COLLECTION DONATES TO FOOD FOR THE NEEDY

On May 31, all (non-pledge) gifts to the collection plate will be donated to the Assistance Center for Towson Churches (ACTC), our Community Partner for over 30 years.

During the pandemic, unemployment and the need for food have skyrocketed, so ACTC is giving bags of food to the needy *six times as often* as before. Plus, it continues to provide lunches to the homeless.

Please note that: **If you are writing a (non-pledge) check, be sure to write "ACTC," "SAC" or "Fifth Sunday" on the memo line.**

If you text a donation, please word the command like this: \$10 Plate.

Thank you for your generosity.

E-MAIL SPOOFING AND PHISHING

It appears that someone (or a group of people) are trolling Unitarian Universalist websites looking for the names, e-mail addresses, and photographs of leaders in congregations to create fake e-mail accounts (called spoofing) and, if anyone responds, to try to elicit money (called phishing.) On May 2, someone did so with a photograph of me from the TUUC website. They also incorporated my legitimate church e-mail address into a fake Gmail account.

Please know that neither I nor any TUUC lay leader would ever ask you for a personal financial favor. Also, I do not sign my e-mails

with "God bless." Should you receive such an e-mail, ostensibly from me, or another TUUC leader, please don't click on any links. Just discard it. Then, please let me know so that I may alert authorities who are empowered to stop these scams. ---Rev. Clare

SECURITY MEASURES FOR VIRTUAL WORSHIP ON SUNDAY

On Fridays we will e-mail you the Zoom Meeting ID and password for the Sunday service. This will be a new meeting ID and password from the previous week. You will need to enter both to join worship. The password will not be available via any other TUUC communication channel. Please look for this e-mail on Friday and save it to a safe place.

Please log-on to worship by 10:15 a.m. on Sunday. Expect to spend a few minutes in the waiting room. The technical ushers will ensure that the meeting settings are adjusted prior to letting in participants. It is helpful if you set up a free Zoom account with your first and last names. Otherwise, Zoom will pick up the name of your device, which in some cases may be "iPhone". This doesn't help us to confirm who is seeking to enter.

If you know of a visitor or guest who would like to join our service, please provide their information to churchoffice@towsonuuc.org by Thursday at 4 pm. Thank you for your patience and understanding as we work to ensure that our virtual worship space is as safe as possible.

ZOOM FOR BEGINNERS

If you haven't yet set up Zoom and would like assistance, please call the church office at 410-825-6045 and leave a message.

Messages are being checked. We have volunteers who will speak with you on the phone and provide assistance.

It is necessary to download software on your computer to run Zoom. Go to zoom.us and follow the instructions. If you want to access Zoom on a smart phone or a tablet, you will need to download the app.

For any Zoom meeting, you have the option of calling in instead of joining on a computer. There are multiple numbers and any of the numbers can be used. The Meeting ID and password are the key.

Here are some of the Zoom numbers (try any of these):

301-715-8592 or 312-626-6799 or 646-558-8656 or 346-248-7799 or 669-900-9128 or 253-215-8782

After you install Zoom on your computer, this video created by a UUA staff member has useful information on how to use it:

<https://vimeo.com/397678793>

Remember that you don't need to turn on your own video/camera. If you are more comfortable without your camera on, that's okay. We do ask that you identify yourself by your first and last name when joining worship or a program on Zoom. We suggest creating a free account with Zoom; then your name will be filled in automatically when you join a meeting.

TECHNICAL USHERS

We are recruiting additional technical ushers. We want to rotate in one or two new ushers to give others a break. You should be comfortable with Zoom and technology and be willing to attend a rehearsal on Thursday at 6 pm as well as join the Zoom meeting 20 minutes early on Sunday morning. To volunteer, please contact our Church Administrator, Kai Aiyetoro, at churchoffice@towsonuuc.org.

CLARE'S COLLOQUY ON COVID CARE FUND

While preparing the TUUC Needs Assessment in March, I noticed that questions that colleagues were asking members of their congregation included “Would you be willing to contribute to a fund to help members in financial need?” and “Are you in need of financial assistance?”

Since then, I have received four inquiries from TUUC members asking if we could establish such a fund to support members and friends who have lost their jobs due to Covid. These members generously offered to donate as an expression of our mission to deepen our ethical and spiritual lives by exemplifying what it means to be a caring community. One person offered to make a contribution out of the CARES check being sent by the government. I was touched by these inquiries and the spirit of compassion in which they were made.

At its meeting on May 20, the TUUC Board voted to establish a TUUC Covid Care Fund for up to two years for the purpose of helping TUUC members who are in financial distress due to this pandemic. Policies for the Covid Care Fund include those advocated by the UUA: <https://www.uua.org/leadership/library/money-matters/ministers-discretionary-fund>

I am under no illusion that we are going to be able to meet all the financial needs that exist among us or will emerge in the next 12 to 18 months. But my hope is that some assistance with paying for a member’s prescription, or toward rent or mortgage, or for groceries (if not eligible for ACTC assistance) will help to ease economic hardship due to Covid and help members going through tough times to feel the love and support of TUUC.

If you are able to donate to our newly established TUUC Covid Care Fund, please let our Bookkeeper know that your contribution is for the TUUC Covid Care Fund. Also, please know that no contribution may be designated for the benefit of a particular recipient.

If you are in need of financial assistance, please speak with me. All requests will be kept confidential.

In no way is this fund intended to take away from our support of the Assistance Center of Towson Churches. In fact, our fifth Sunday collection this coming Sunday, May 31, will be for the Assistance Center of Towson Churches. ACTC is in great need as they continue to work to provide food to people who are food deprived.

Our mission is to deepen our ethical and spiritual lives through service to others. Thank you for your compassion and for your generosity as we seek to care both for those within our spiritual community and those in the wider community. In the words of George Odell:

We need one another when we mourn and would be comforted... when we are in trouble and afraid... when we despair, in temptation, and need to be recalled to our best selves again.

We need one another when we would accomplish some great purpose, and cannot do it alone... in the hour of our successes, when we look for someone to share our triumphs [and] in the hour of our defeat when with encouragement we might endure and stand again.... All our lives we are in need, and others are in need of us.

THANKS! CONGRATS! BRIGHT BLESSINGS!

DRIVE BY SEMINARY GRADUATION PARTY FOR KARYN MARSH AND LORA POWELL-HANEY TUUC PARKING LOT — JUNE 6, 2020 — 5 PM - 6 PM

TUUC Board member Karyn Marsh graduated from Starr King School for the Ministry on May 14th. In July, she will be leaving to become the Ministerial Intern at All Souls Church in Tulsa, OK. Karyn has been a member and leader of our community for over a decade and served in roles ranging from Youth Group Adviser to Lay Worship Associate, from Membership Chair to Board member.

Our Ministerial Intern, Lora Powell Haney graduated from Meadville Lombard Theological School on May 17th. She will be officially completing her Ministerial Internship with us at the end of this month. In the two years she has been with us, Lora has inspired us in worship, calmed us with her pastoral presence, and encouraged us to always think about "who might we have not included in our deliberations?" Lora will see the Unitarian Universalist Ministerial Fellowship Committee in October.

We want to thank Karyn and Lora for their leadership, congratulate them, and encourage them to take our love with them as they continue their ministries to build beloved community.

To this end, we will be hosting a "Drive By Seminary Graduation Party" at TUUC beginning at 5 p.m. and running until 6 p.m. on June 6.

What is a drive by party? You are invited to decorate your car with signs congratulating Karyn and Lora.

Please plan to come into the parking lot

sometime between 5 and 6 and form/join a line to the right behind the cars already there. Please do not pull into a parking space!

You will follow the cars in front of you.

Karyn and Lora will be a distance away from their own cars near the front of the church. You are invited to get out of your car and drop a card of gratitude (or a small gift) in a basket that will be on the back of each of their cars and call out your thanks and good wishes. Please share in a card favorite memories and words of encouragement and photographs for Karyn and Lora to carry with them.

This is intended to be like a parade rather than a coffee hour. So please do not try to enter into a conversation with either graduate if there is a line of cars! We are still practicing social distancing! You may also choose to honk your horn, wave, cheer, play favorite music etc. from inside your car!

You may drive around the parking lot more than once. In fact, several times would be grand! Please just be mindful of cars trying to enter and exit the parking lot.

Here's to a fun way, in a Covid world, to fete our two graduates who now have a Master of Divinity! Karyn and Lora, we are so proud of you! We love you! We will miss you! And we look forward to learning how the next chapters of your ministries unfold!

--Rev. Clare

DENOMINATIONAL MINUTE: FAITHIFY.ORG CROWD FUNDING FOR UU PROJECTS

Recently, I posted a link to Faithify.org on TUUC's Facebook page. Faithify is a web site for crowd funding of UU Projects. Following is more information. Faithify is a crowdfunding site where passionate people INSPIRE, UNITE, and FUND Unitarian Universalist ministries.

Faithify's purpose is to:

- Inspire a culture of innovation that extends the reach of UU values
- Lower the walls between existing congregations
- Ignite ministries in new venues, formats, and communities
- Bridge geographic and generational borders using 21st century technologies
- Help passionate individuals invest directly in ministries that excite them
- Help ministry innovators reach a passionate public

We envision a people with renewed faith and a Unitarian Universalism that is more connected, relevant, and vibrant.

Crowdfunding has fundamentally changed how we fund-raise. In being able to mobilize resources from everyday people, and rely on thousands of smaller donors rather than the institutional backing from governments, foundations, or even select donors with big

pockets, now anyone can raise thousands of dollars with just the click of a button.

Changes in technology, culture, and newer generational mindsets are offering us new possibilities. Crowdfunding offers not only a new way of raising funds but a new way of thinking about how to get things done and where to focus our limited energies and highly motivated spirits to amplify the good work we are already doing.

We don't believe for even a second that the best days of Unitarian Universalism are behind us. But we know that what is coming will probably look a bit different than what exists now. The practices that we need to embrace that dawning future – Risk, Experimentation, and Mutual Support are practices that are inherently embodied in crowdfunding.

We launched Faithify in 2014 to start to prepare for that future. Where any leader could learn and use our digital platform to connect to supporters and funders, leverage social networks to get the word out about their ideas, and get the support they need to start building a new way.

Since then, Faithify.org has become Unitarian Universalism's crowdfunding site, where passionate individuals can invest directly in ministries that excite them. Our 80% success

rate shows how we embrace and are transformed by the challenge of our time. The only question we have for you is...

What Will You Faithify?

Greater Baltimore Cluster of UU Congregations—The Baltimore Cluster has been quite active for the past three months. We have met monthly or semi-monthly since our first face to face meeting at First Unitarian in Baltimore, Feb. 29. Our two most recent meetings have focused on UU The Vote.

Our next Denominational Minute will have more information about the cluster and this project.

ACROSS THE THRESHOLD AND BACK

How strange that, in a season when time seems befuddled, that it should also have moved so swiftly! Wasn't it just a few months ago that I first crossed the threshold of Towson Unitarian Universalist Church, to attend a summer lay leadership training? When I first met Sue and Art and Patty and Tracy and Sue and Todd and Kai and Nancy and (Joyce and I already knew each other!).... Just as I am saying hello, it is time to say good-bye.

Graduation from seminary completes just part of this journey into ministry: my ministry at TUUC grew me into leadership, into self-awareness, into pastoral presence and practice, grew me into love for people and community. From bearing witness to your joys and sorrows during worship, to

delighting in your creativity during the auction, to grieving with you at losses, to visioning a different way to grow into your new governance, you have all been my teachers and colleagues as much as Rev. Clare has been.

I still have reading and writing to do over the summer, in preparation for my interview with the Ministerial Fellowship Committee in October. Being in this liminal space between internship and ministry/chaplaincy feels a little uncomfortable (as it should!), but I also know I am well-grounded for whatever may come, because I knew you.

Although my internship time officially ends this last Sunday in May, Soul Matters Mornings will continue until mid-June, and Todd and I will co-lead a Litha/Summer Solstice ritual for Roots and Wings on June 21. I will set a boundary, recommended as a best practice by the UUA, the UUMA, and LREDA, of no contact with the church or congregants for one year, so will be saying good-bye on social media too. Please know that you will get news of what comes next for me!

You have been an integral part of my growth as a minister and chaplain. Keep moving toward this new way of doing the work of the church, cherish and remain committed to your community partners, keep your mission and vision in mind and heart even in the midst of pandemic limitations. Because Spirit calls strongly in uncertain times, and the "answer is Under Construction." Thank you so much for taking a chance on sponsoring a ministerial intern! And remember, the answer is Under Construction. Blessed be!
