What does it mean to be a people of deep healing?

NOVEMBER 8, 2020 - 10:30 AM

REV. CLARE L. PETERSBERGER: *HEALING THE HEART OF DEMOCRACY*

By this Sunday, election day will have come and gone. As we wait for ballots to be counted, or worry about the outcome, as we wonder what the future holds or even welcome a clear outcome, one thing we know for certain: our fragile democracy is in need of healing. How shall we go about healing the heart of our democracy? What does healing the deep divisions among citizens and alternate political universes require of us? The Quaker teacher, Parker Palmer, will be our guide.

VIRTUAL VESPERS – NOVEMBER 9 FROM 7-7:30 PM

Virtual Vespers is a contemplative service of readings and music. This is a time to rest from the demands of the world; to let go of stress; to meditate; and to deepen one's spiritual life.

YOUTH RELIGIOUS EXPLORATION

When we are sad or have been hurt, it can feel as though “life is out to get us.” Our faith tells us that gratitude can help guide us back to believing that life is good and “on our side.” When we shift our attention from the sad and scary parts of life to the gifts of life, gratitude heals us. One of the ways our faith guides us into becoming a people of healing is by telling us, “Let gratitude heal you!”

Please join us on Sunday morning at 9 am for a Family meeting where we will talk about gratitude and learn about the hymn Spirit of Life before we break into classes.

8th-9th graders will meet virtually at 7 pm on Sunday for a session based on The Twilight Zone and YRUU will meet at 2 pm at Cromwell Valley Park. See parent emails for more details or contact Joyce at tuucdre@towsonuuc.org.

SUNDAY, NOVEMBER 8 SERVICE INFORMATION

For Sunday, November 8, please join us at 10:15 am to be admitted prior to the service starting at 10:30. We will have break-out rooms for coffee and conversation following the service.

MAKE A JOYFUL NOISE

November 29th "Make a Joyful Noise" Where do our hymns come from, both the old and the new? Why do we sing what we sing? Why do some of us really dislike some hymns while loving others? Is it really true that the reason some UU congregations are poor singers is because congregants are reading ahead to see if they agree with the text? And what do all those words and numbers at the bottom of the page of our hymns mean? During his thirteen years as the director of music at the St. Johnsbury VT UU Congregation, Steve made a study of UU hymnody. You are going to hear some fascinating stories, and we will sing quite a few hymns. If you have a favorite you would like to hear, or even be willing to sing, email Steve care of churchoffice@townsonuuc.org

CLARE'S COLLOQUY

Over a month ago, I was sitting with colleagues who were already planning worship for Epiphany (January.) Someone mentioned the number of Biblical stories in this year's lectionary cycle about Jesus healing people. And someone else responded, "It's too soon to talk about healing." I understood the context. This person meant that losses from the pandemic of Covid-19; from climate change; from the political divisions in our country need to be mourned and grieved. But aren't mourning and grieving a part of healing?

Our spiritual question for this month is, "What does it mean to be a people of healing?" The story that I need to hear does not come from the Bible. It does not involve the lame walking or the dead being resurrected. It does not involve any quick fixes or cures.

The story I need to hear is from the grandfather of Dr. Rachel Naomi Remen. On her fourth birthday he told her:

"In the beginning, there was only the holy darkness, the Ein Sof, the source of life. Then, in the course of history, at a moment in time, this world, the world of a thousand, thousand things, emerged from the heart of the holy darkness as a great ray of light. And then, perhaps because this is a Jewish story, there was an accident. [laughs] And the vessels containing the light of the world, the wholeness of the world, broke. And the wholeness in the world, the light of the world, was scattered into a thousand, thousand fragments of light. And they fell into all events and all people, where they remain deeply hidden until this very day..."

"...the whole human race is a response to this accident. We are here because we are born with the capacity to find the hidden light in all events and all people; to lift it up and make it visible once again and, thereby, to restore the innate wholeness of the world. This is a very important story for the world today. This task is called tikkun olam in Hebrew, which means the restoration of the whole world. This is a collective task. It involves all people who have ever been born, all people presently alive and all people yet to be born. We are all healers of the world."

It is never too soon to talk about healing. Healing is a process which we cannot will or control. But we can make choices that contribute to the health of our bodies, the peace our minds, and the wholeness of our spirits. The story Dr. Remen heard as a four-year-old greatly impacted her vocation as a doctor. How does hearing that you are exactly who is needed to heal the world touch and inspire you?

For me, it is harder to find the hidden light in all events. I need a spiritual community that reassures me that by looking for the hidden light in all whose lives we touch, we restore the innate wholeness of the world. I need a spiritual community that reminds me that we collectively have the strength to continue the work of repairing and restoring wholeness to heal the world. Gratitude for the opportunity to live out, together, our answer to the question, "What does it mean to be a people of healing?"

REVISED BYLAWS APPROVED AT CONGREGATIONAL MEETING

We did it! Four years after starting a process of examining our governance structure, the congregation voted overwhelming in favor of the revised Bylaws and the amended and restated Articles of Incorporation on October 25, 2020.

This removes matters of policy from the Bylaws, and empowers the Board of Trustees, the Administrative Team and the Program Council.

We had 60 Members present at the meeting plus an additional nine Members submitted an absentee ballot in advance. We had outside assistance from the Rev. David Pyle of the UUA and from attorneys at Ferguson, Schetelich, & Ballew. But mostly, the hard work of this four-year effort was completed by members of this congregation, including Jasmine Stock, the members of the Governance Task Force, and the members of the Bylaws Committee of the Board, and Trustees. Deep appreciation and gratitude for all!

TUUC wishes

Michael Magrogan

a happy 80th birthday

The Program Council

will hold its monthly meeting on Wednesday,
November 11, at 7:30 PM.

All are welcome to join us as we discuss
upcoming programming at TUUC.

TUUC AUCTION 2020—DIAMOND JUBLIATION! NOW THRU AUCTION NIGHT NOV 21

We need more donations! There is still plenty of time to donate to the TUUC 2020 Auction. It's easy and the Auction Committee is ready to provide whatever assistance you need to make the process simple and gratifying.

We'll be accepting donations up until late during the week of Auction Night, but it's important not to wait that long. Last minute donations will be more subject to listing miscues and the delay will keep your donation from being considered by the growing number of enthusiasts who are already placing bids. Most importantly, a big rush of eleventh-hour donations will stress-out our hardworking Auction volunteers.

Please go to [**Auction 2020 Donation Form**](#) for the Donation Form which you can fill-out and submit on-the-spot. Detailed instructions are available here: [**Auction 2020 Donation Form Instructions**](#)

If you still need help deciding what to donate, you can go to [**WHAT CAN I DONATE?**](#) For ideas or click on [**VIEW DONATIONS**](#) to see what's been donated thus far.

If all of this clicking is just too much you can send an email to: [**auctiondonations@towsonuuc.org**](mailto:auctiondonations@towsonuuc.org) or to [**auctionhelp@towsonuuc.org**](mailto:auctionhelp@towsonuuc.org) to provide the information about your donation, start a dialog with a helpful volunteer or ask for a call-back.

By the way, you can find all of this information and all of these links in the Auction Section of TUUC's website. Just go to [**www.towsonuuc.org/auction**](http://www.towsonuuc.org/auction).

While you're at it you may want to get on Bid Beacon, so you can bid on the approx. 80 donations that have been received thus far. Detailed instructions for downloading Bid Beacon are on the website. See [**GET WITH THE PROGRAM**](#). For a more personal learning experience attend one of the upcoming ZOOM Auction Coaching Sessions hosted by Auction Committee Members. Times and the ZOOM Link for these are shown on **Page 8** of this issue of the Threshold, on the Church Calendar and in the HELP AND SUPPORT section under Auction in the website.

There will be **no Coffee with Minister on Nov. 10** so that Rev. Clare can attend a retreat that day.
Coffee with the Minister will resume on Nov. 17th.

LISTENING SESSIONS ON TUUC IN VIRTUAL SPACE

In July, we held conversations on virtual programming since moving as a spiritual community. As a result, an intentional effort is being made to offer both live and recorded music in worship and new programs such as "Messy Lives" and "Socratic Circles" were added.

Heading into a winter with continued social distancing, we are seeking feedback on what is and is not working for you in terms of virtual programming for Worship, Youth Religious Exploration, Adult Religious Exploration, and other virtual TUUC programs. The information received will be used for two purposes:

- 1) To tweak existing virtual programs or create new ones for our congregation.
- 2) To develop, in conjunction with the feedback received last winter, a survey for how we will organize ourselves in our brick and mortar building (when it is truly safe for all to gather again) as well as in virtual space.

We need and welcome your participation in the final of these three meetings on:

November 8 at 1:00 PM

Meeting ID: 951 6265 4791, Passcode: 411265

Phone Number: 1-301-715-8592

As we head into shorter days with less sunlight, we very much look forward to your input on ways to sustain and deepen our communal life in virtual space.

Rev. Clare, The Committee on Ministries, and the Sunday Morning Structure Task Force.

OUR MESSY LIVES

This group is about certain personality traits like patience and kindness and what happens when we try to implement them in our lives. If you are always patient and kind, for example, congratulations! However, this group is not for you. But if you are like me and are not always patient or kind, then please join us as we explore our messy lives. Open to all: women, men, and non-binary; but *pre-registration is required* to receive the Zoom meeting id, password and personality trait that will be featured that week. The group will meet via zoom on the following dates and times, from 3-4 pm, on Nov 12 Nov 19, and Dec 10. To register, contact Art Starr at mensgroup@towsonuuc.org.

SOCIAL ACTION COMMITTEE MEETING

The Social Action Committee will meet on Sunday November 8, at noon, following the Service and Coffee. An agenda will be sent to SAC Members. All are welcome! See church calendar for Zoom information.

SINGLES FELLOWSHIP GROUP HAPPY HOUR: SATURDAY, NOVEMBER 14 AT 4 PM

The group will have a happy hour chat in virtual space. We offer an atmosphere for fellowship and friendship among TUUC single adults. We range in age from the 60's to 80's, but gladly welcome anyone to join us.

Please call Ronald Rowley to RSVP and to get more information. He is listed in the church directory.

UPDATE ON THE TUUC COVID CARE FUND

TUUC is a caring congregation. In May of 2020, the TUUC Board approved establishing a fund (for up to two years) to help members experiencing financial hardship due to Covid 19. Fifteen members and friends donated \$2,700 to the Covid Care Fund. To date, \$1,305 has been distributed. Your kindness has made a real difference. As anyone who has watched "It's A Wonderful Life" knows, feeling the love and support of a community is a deeply moving and meaningful experience. It is a reminder that we are not alone. We are part of an interdependent web of relationships.

Thank you for your generosity. ---Rev. Clare

**TUUC SOCIAL ACTION COMMITTEE
ACTC THANKSGIVING PROJECT—PLEASE SEND
DONATIONS BY NOVEMBER 15**

This year TUUC will do things differently because of the pandemic. Rather than purchasing delivered food baskets, we are asking only for monetary donations. **A \$25 donation will purchase a basket. In the past, we have suggested giving \$10 extra to cover the cost of a turkey.** ACTC is hoping that each church will be able to donate enough money for *50 baskets*. (Last year we passed the 60-basket mark.)

1. Send your check, **payable to TUUC, with the memo: "ACTC-Thanksgiving Basket"**. Our bookkeeper will keep a record of your donations. Or
2. Text your donation to: 410-834-0700 thru the Social Action Committee, **amount + SAC** (ex: text "35 SAC" to give \$35), Or
3. Donate directly on the Assistance Center of Towson Churches website: <http://actconline.info/> See this website for any further information about ACTC.

Thank you for your generosity.

ACTC WILL ALSO NEED VOLUNTEERS TO RECEIVE, PACK, AND DISTRIBUTE THE FOOD

You may volunteer for a 2.5-hour shift at Trinity Episcopal Church, 120 Allegheny Ave., Towson to *receive and pack* donations on November 18, 19, or 20 (Wed- Fri) or

Help *distribute* the bags, Nov 23 or 24 (Mon & Tue) also at Trinity Episcopal Church.

Please complete **this form**, indicating that you are interested in helping at Thanksgiving and noting the day(s) you are available. You will be contacted about your shifts and work assignment.

UPCOMING AUCTION COACHING SESSIONS:

Saturday, November 7 at 10 AM, Monday, November 9 at 7:30 PM

Tuesday, November 17 at 7:30 PM

The 2020 TUUC Auction Committee has scheduled several online Auction Coaching Sessions! These are Zoom meetings that will cover a variety of topics including: how to enter your donation, introducing Bid Beacon—the software hosting our Virtual Auction, as well as various highlights of Auction Night events! All are encouraged to attend these online sessions. More information is available **here**. You can attend the auction coaching sessions over Zoom via **this link**.

TUUC SOCIAL ACTION COMMITTEE - *Update on our Community Partner Earl's Place*

For November, we highlight the TUUC Social Action Community Partner, **Earl's Place**, which, along with Prospect Place, is Cornerstone Community Housing (CCH).

CCH is a housing and social justice organization in Baltimore City and County dedicated to assisting men who are homeless who want to change their lives, and to changing community attitudes toward the homeless. While things are very different in the world and we have had to adjust, the men continue to change their lives. I am pleased to say that so far no one at either program has tested positive for COVID.

To-date this year we have housed 30 men at Earl's Place where we only house and support 17 men at a time in transitional housing. Of the 13 who left the program, ten moved to permanent housing.

These milestones and so many more are only possible with your support.

You can find more information on our website, www.cchbaltimore.org and our Facebook page, <https://www.facebook.com/cchbaltimore>.

On November 29, the entire (non-pledge) offertory plate will be donated to Earl's Place. To contribute to Earl's Place, use one of these methods:

1. Send a check payable to TUUC (to 1710 Dulaney Valley Rd. Lutherville MD 21093) and *specify "CCH" or "Earl's Place" on the memo line, or,*
2. Text your donation to the Social Action Committee: amount + SAC Social Action Collection ex: text "50 SAC."

Thank you for your generosity!
