

What does it mean to be a people of story?

SUNDAY, MAY 30, 2021 - 10:30 AM

REV. CLARE L. PETERSBERGER: IMAGINING PEACE

The Irish theologian and community leader Pádraig Ó Tuama observes that we live in both the shadow and the shelter of each other. We tell stories of shelter or shadow about others. On this Memorial Day, when we honor those who died fighting for peace, we will think about our understanding of peace and what stories we would need to hear and be able to tell in order to realize it.

FROM THE TUUC BOARD OF TRUSTEES

MOVING FORWARD WITH THE EIGHTH PRINCIPLE

On March 17, 2021 the TUUC board of trustees voted unanimously to ask this congregation to adopt the proposed Eighth Principle of Unitarian Universalism, in which UU congregations covenant to journey toward spiritual wholeness by working in beloved community to accountably dismantle individual and institutional racism and other oppressions:

"We, the member congregations of the Unitarian Universalist Association, covenant to affirm and promote: journeying toward spiritual wholeness by working to build a diverse multicultural Beloved Community by our actions that accountably dismantle racism and other oppressions in ourselves and our institutions."

The consideration of the Eighth Principle now passes to the TUUC congregation, which may vote to adopt the Principle at a future congregational meeting. The Principle's covenant will not be served by the application of a rubber stamp; our church is capable of deep discussion and discernment in which we'll see whether we wish to make individual and institutional commitments to the work of conscience which the Principle demands. Other churches which have adopted the Principle have done so through a process of understanding and commitment. The Unitarian Universalist Church of Silver Spring committed at its last congregational meeting to spend a year in "deep study and mindful reflection about what adopting the 8th Principle means for our Congregation... with the goal to bring the 8th Principle to a Congregational Vote in 2021." The resolution which the Silver Spring church will consider at its next congregational meeting acknowledges "that there is no set roadmap in this work; rather it is incumbent on us to continually, mindfully, and lovingly forge our own path while holding ourselves accountable to the common good."

The UUA as a whole will consider the Eighth Principle starting with the work of a Principles and Purposes study commission established under Article II (Principles and Purposes) of the UUA Bylaws. The work of the commission, which was established in 2017, is a multi-year process which may result in the adoption of an 8th principle by the denomination as a whole. A conversation between commissioners Satya Mamdani and Paula Cole Jones, founder of A Dialogue on Race and Ethnicity and one of the authors of the Principle's text, may be seen at https://www.uua.org/uuagovernance/committees/article-ii-study-commission/blog/conversation-eight-principle-project.

Paula Cole Jones notes that antiracism is sacred work. As TUUC works to consider adoption of the Eight Principle, we are part of a movement to create at the level of individual congregations a grassroots foundation for our denomination to make generational change in its guiding principles. We are deepening the understanding and strengthening the ties which build our own Beloved Community.

IN MEMORIAM

IN CELEBRATION OF THE LIFE OF DR. WILLIAM REICHEL

We regret to inform you of the death of Dr. William Reichel on May 14, 2021. Bill was the founding Chairman of the Department of Family Medicine and Residency Director at MedStar Franklin Square Medical Center and original author of *Reichel's Care of the Elderly: Clinical Aspects of Aging* now in its seventh edition. He was also an affiliated scholar of the Center for Clinical Bioethics at the Georgetown University School of Medicine, Washington, DC.

Bill was an active member of TUUC for over 30 years. He served as a Greeter, was one of the first people that many visitors of TUUC met, and took great pleasure in getting to know others.

He was an active member of our Lay Worship Associates and invited colleagues to address ethical issues from the TUUC pulpit. He served on the Welcoming Congregation Committee in the 1990's and more recently was a member of our 2020 Welcome Renewal Team to carry forward that work of including people of different sexual orientations and gender expressions.

Bill was a Merrill Fellow at The Harvard Divinity School from 1988-1989. He loved to share resources on topics ranging from theology and ethics to racial and social justice. Bill strengthened the future of Unitarian Universalism by mentoring Unitarian Universalist seminarians: Sage Olnick, Lora Powell Haney, and Karyn Marsh.

Messages of condolence may be sent to Helen to whom he was married for over 61 years. Her contact information is in Breeze. Bill was a gentle and caring person with a keen intellect, dry sense of humor, and quiet strength. He will be greatly missed. Information on a celebration of Bill's life will be forthcoming.

---Rev. Clare

IN CELEBRATION OF THE LIFE OF AL PEABODY

We regret to inform you of the death of TUUC member Al Peabody on the afternoon of May 5, 2021. For over a decade, Al served our community in a variety of roles from an active participant in the Drum Circle to editor of our Threshold newsletter; from serving on our Gifts Based Ministry Team to serving as Communications Council Head on our Operations Team. He attended worship, regularly; was active in discussing philosophy with the Socratic Circle; offered a listening ear and keen insights in Chalice Circles, and relished discussing theology in adult religious education classes. Al was committed to serving others and to creating justice. His curiosity, thoughtfulness, sense of humor, and kindness will be greatly missed. Messages of condolence may be sent to Kim whose contact information is in Breeze. Details of a celebration of Al's life will be forthcoming.

TUUC ANNOUNCEMENTS

NOMINATING COMMITTEE IS SEEKING TUUC FINANCE HEAD

The nominating committee is seeking a volunteer from the church to fill the position of Financial Head. Please click **here** for the job description.

A HISTORIC OPPORTUNITY TO ORDAIN

In our Unitarian Universalist faith tradition, the only body that has the authority to ordain a minister is the congregation. The Reverend Joanna Crawford calls the congregation's decision to ordain "a theological statement." She writes, "They draw out from their midst an individual, acknowledge the calling in their life, and recognize the education, training, and fellowshipping that has been a part of their preparation. And then they set the individual apart, giving them special authority for ministry...(Unitarian Universalists) do not require an intermediary or higher authority, such as a bishop, to acknowledge the workings of Spirit; we *are* that authority."

I am delighted to share that Karyn Marsh has requested that the Towson Unitarian Universalist Church ordain her as a minister!!!

Karyn has been a member of The Towson Unitarian Universalist Church for thirteen years. She served as a Lay Worship Associate; facilitated our Youth Group for two years; served as Inner Life Council Head for two years; served as Membership Chair for six years; initiated "Strengthening and Growing through Engagement" to study our mission, culture, and practices to better define our church's mission and to identify those best practices that would allow TUUC to better achieve that mission." Karyn also sang in the Choir; served on the Board of Trustees; served on our Governance Task Force; and served on the Bylaws Revision Committee that presented the congregation with an entire new set of Bylaws that were approved, virtually, in October.

By asking to be ordained by the members of TUUC, Karyn is honoring how our community shaped her calling. She graduated from Starr King School for the Ministry; completed her Clinical Pastoral Education at Johns Hopkins; and just completed her Ministerial Internship at All Souls Unitarian Church in Tulsa, Oklahoma, which has over 2,000 members! The Ministerial Fellowship Committee of the Unitarian Universalist Association has granted Karyn Preliminary Fellowship. Karyn will be next be a Chaplain Resident at Johns Hopkins Hospital. The TUUC Board voted, unanimously, to ask the congregation to vote to ordain Karyn Marsh during our Congregational Meeting on June 13 at noon.

Please plan on being present for this vote to transform Karyn and give her the right to put "The Reverend" in front of her name. This vote reminds us, as a congregation, of our place in the living tradition of Unitarian Universalism. If the congregation votes to ordain Karyn, (and I trust that we will!) then we are planning for Karyn's ordination to take place at TUUC in the fall. If you have any questions about ordinations, or this process, please ask me. It is a deep honor to be asked, as a congregation, to perform this ancient rite of passage.

Rev. Clare Petersberger Towson Unitarian Universalist Church 1710 Dulaney Valley Road Lutherville, Maryland 21093-5903

Dear Rev. Petersberger:

Hello. I hope that you, your family, and all of the members of TUUC are doing well. I just wanted to say "Thank You" regarding the donation that we recently received from you and your congregation. The donation will be used for Transportation, Food, and supplies for the upcoming STEM camp which takes place from July 12th thru August 20th. Please know how grateful we are for the donation. Our next meeting will be May 15th starting at 9:30 am and you are welcome to stop by if your schedule allows you to. This is a significant donation and I hope that you and your congregants know how much we appreciate it.

Our meetings are held on the first and third Saturday of each month 9:30 until 1:30 pm. We are now doing tutoring the first Saturday of each month. We are also tutoring on Monday, Tuesday, and Wednesday evening from 5:30 pm until 8 pm. As of now, this takes place online through Google classrooms. We have started our 25th year.

During the third Saturday of each month, we bring in role models from different occupations so that our Kings can start thinking about what they want to do with their lives. Since we are dealing with the Corona Virus, each King will have to do a report regarding how the pandemic makes them feel. We are now doing Zoom meetings the first Saturday, cultural enrichment trips, and many other activities. In February, we visited a small business on North Ave. If you have any further questions, please do not hesitate to contact me at the number listed. We continue to Invest in Boys and Build strong Men.

P.S. Thank you again

Sincerely.
