TUUC ANNOUNCEMENTS AND UPCOMING EVENTS

GREEN SANCTUARY TIP OF THE WEEK

Do you usually make New Year's Resolutions? Whether or not this is your custom, the Green Sanctuary Committee suggests that you make the most important one of all this year. Please resolve to take personal actions to reduce your environmental footprint and help to mitigate climate change. Small simple steps, made by individuals, can make a difference, especially if we encourage others to take them, as well. Let's do it for ourselves, our children, and grandchildren, those of the present and the future. The Green Sanctuary Committee will post tips regularly to help guide us. As it is said, "What will you do to be the change you want to see in the world?"
