

## Fulfilling Your Pledge

Our church fiscal year starts on July 1 and ends on June 30 of the following year. Your pledge is for the church fiscal year. You can fulfill your pledge via the method that works best for you.

### Methods for fulfilling your pledge:

1. Set up payment through Breeze, our church management software.  
<https://tuucdatabase.breezechms.com/>  
Log into Breeze, then go to Give Now and follow the prompts. For initial login assistance, contact the church office. You can set up a one-time or recurring payment, and choose an ACH transfer from your checking account, or use a debit card or credit card. Select the Stewardship Campaign as the fund.
2. Via check. Write "pledge" in the memo line, along with the fiscal year. We have an exterior locked mailbox at church. Mail is being picked up at least weekly. Once in-person services resume, you can place your check in the offering plate.
3. Via text message. Text "Give" to 410-834-0700. There is an initial setup process; then you can use this for future giving. Text giving is a service of Breeze church management software. You can set up a link to a checking account, debit card, or credit card. Example text (after setup has been completed): "Give 100 2022-23" donates \$100 toward your pledge for fiscal year 2022-2023.
4. Via PayPal. Send the desired amount from your PayPal account to [Treasurer@towsonuuc.org](mailto:Treasurer@towsonuuc.org)
5. Via stock donation. Contact the church office for the latest instructions. Contact the church office when you initiate the transfer so that the Treasurer can look for the incoming stock.

Note: There are multiple congregants donating via direct debit that was set up by the church office, connecting to our PNC bank account. These debits happen on the 1<sup>st</sup> and/or 15<sup>th</sup> of the month. We are no longer adding new direct debits through this method, now that we have Breeze. We can make changes at the donor's request; please contact the church office.
