Safety Policy

The YRE Committee strives to protect your child's physical, emotional, and spiritual safety every Sunday morning and whenever activities take place. We follow all TUUC's policies and procedures on Covid and follow the Safe Congregations guidelines which can be found on the TUUC website under LEARN. The nature of the Making Faith program will include using tools. All safety precautions will be taken.

YRE in 2023/2024 - MAKING FAITH

This year, Youth Religious Education is experimenting with how we function on Sunday mornings. Instead of a traditional style class with a set curriculum, we will be following where the students lead and allowing them to explore their interests as well as their creativity. Students will remain together in one all-ages classroom so they can mentor and learn from one another, as well as our dedicated volunteers. Teens will have additional opportunities to participate in service, perform social action projects, and have a mentor from the congregation.

Please confirm that you understand the Making Faith program running in the 2023-2024 church year.

I understand

The Youth Religious Education Program is run as a Co-op

Each TUUC family is asked to participate in our cooperative YRE program by checking at least one box. We do not ask parents/caregivers to make a commitment to YRE until they have been attending for at least six months so they can enjoy service and community without obligation. After that, each family's involvement is essential to running a quality and consistent program.

Name of adult participating in the co-op:

I would like to participate by:

- Being involved in the classroom grades K-12 (training and support provided)
- Being involved in the nursery
- Joining the RE Committee
- Non-Classroom Related Tasks
- Please have the DRE (Kara Tyler) contact me to discuss how I can best support the program

Additional family members are welcome to volunteer as well.

If you know how you'd like to volunteer, you can sign up now: <https://tinyurl.com/YREVolunteer>

Agreement

By signing this form, I agree to the policies of the RE department, to participate in my child's RE experience by being actively involved in the co-op, and give my permission for photos of my child (without their name) to be used in printed or online materials.
